## “The Peace Train”

“The Peace Train” is a new discussion/social group which is being run in conjunction with the **Dronfield2gether** scheme. Dronfield2gether are a team of people who are dedicated to uplifting and uniting the inhabitants of Dronfield.

The main aim of “The Peace Train” social group is to help people to understand how they can help themselves to live a more peaceful, harmonious and joy-filled life, which then leads to them experiencing a new sense of wellbeing.

How many times have you had the thoughts that your life is going round in circles, and you don't seem to be getting anywhere? Does each day appear as though you are re-living events of the past? The same patterns day in, day out, causing conflict, confusion and chaos!

It is now time to see your life differently. This social group can help you to do just that.

We will be talking about, and experiencing different relaxation techniques, new ways of creating a better future for yourself and your family, to enable you to view your life from a more joyful and happier perspective.

Looking forward to meeting you all.

Love Shelley
