ENTERTAINMENT.

Why go anywhere else? The immortal words of our very own Dick Armitage, who now advises that it is going to be the club's new motto. Judging by last year's standard, and starting this year in the same vein, it's a motto well earned.

The mind boggles with last year's variety, all in my opinion, were excellent. Of note, were, "Motel California". Brilliant musicians, and good vocals. Whether you are an "Eagles" fan or not, this group were well worth seeing. No doubt they will be with us again (I hope) later in the year.

Who can forget The Early Birds Christmas Dinner, where once again our old favourites, "Big Business", delighted everyone. This group seems to get better and better. They hold the record for filling the dance floor, from the first to the last number.

The Take That tribute band, "Rule The World", wowed our ladies. I don't pretend to understand the magic, but our ladies did, they were ecstatic the whole evening. This was quickly followed by "The 3 FBs", who once again delighted the audience.

Saturday, 25th January, saw the welcome return, of "OKTC". Nothing short of fantastic, describes this group. Such is their following, that the club was almost full by 8.15pm. They will definitely be back later in the year.

And there's more!! Don't miss the Valentines dinner, Saturday 8th February because the areas finest funny man and magician, "Billy Flywheel", will be entertaining throughout the evening. This guy is brilliant, a one off.

On the 22nd February we have "Heartbeats" to look forward to. A well established group.

March roars in with a Queen tribute band, "Queen II". I have seen this group before, they are superb. A night not to be missed. And it just keeps going, On the 26th April we have the one and only "Coast". Winners of the clubland award for best group, for the third year running. Need I say more other than, Why go anywhere else?
