www.hilltopclub.co.uk

Welcome
JULY

facebook

*In our continued efforts to provide our members with “More” than other organisations we brought to our stage, on Thursday 16th June, a very talented Male **Singing Duo “LINACRE & KNIGHTS”** who performed a fantastic array of Top West End Hit Songs to a background of superb music and mood lighting. Unfortunately we had a relatively small audience of around 60 from our membership of over 1200 !!! We that bothered to come were treated to a very special night indeed, those of you who stayed away missed out BIG TIME !! However the good news is that just before they depart for a 12 month tour of USA & Europe plus Cruise Ships in 2017 we have secured them for another show on Friday 6th January which we hope more of you will book tickets for and come out to raise your spirits after Christmas (the following night Saturday 7th **January is our family Pantomime “Dick Whittington”**)*

*A Future event, again trying to appeal to those members looking for something a bit different. Is on Saturday 23rd **July, A Barn Dance including Elaine’s Tasty Meat & Potato Pie & Peas**(Veggie options available) in aid of the RSPCA, tickets now available from the bar @ £10.00.*

*On Friday 12th August once again we have pushed the boat out to get you the very **best of entertainment !! “The DREAMERS” on stage at your club, tickets now on sale, PLEASE SUPPORT US AND HAVE A GREAT NIGHT OUT.***

*Also in August : Friday 5th Darts & Dominoes league presentations with Live music @ **9pm from “THE TONY LEWIS BAND”** set list consists of material from **Joe Cocker** Bryan Adams, Dire Straits, Free etc. Members are welcome all night.*

*A note regarding the AGM Thursday 14th July. We have three currently serving committee members who will not be standing for re election so if you would like to **get more involved and perhaps “make a difference”** please do get in touch with any committee member and come along to the AGM.*

200 Club Draw—3rd June 2016

£100 was won by number 193, Mick Aldersley.

£190 snowball not won by number 161, so will roll over to a first ever £200 jacket pot on the 1st of July, when there will also be two extra draws for £100 and £150!!!! Join the 200 club now!!!!

If anyone ever says that your Club does not have Award-winning or the Best in the Country acts, then they should think again. In October 2015, we had an excellent evening of country music from husband and wife duo, Jonny Williams & Lynnette Marie. Well, Jonny & Lynnette have just been voted **'Duo of the Year' in the British Country Music Awards**. Lynnette also received the **'Best Female Vocalist in a Duo'** award. These awards are voted for by the country-music-loving public in the **UK and not by the people in 'the business' so the recipients of these awards know how the public really feel about them.**

Look out for the Club's next Country Music evening this coming October.

FRIDAY 1ST JULY

Climate Control for your Home
Warm in Winter, Cool in summer...
Very efficient running costs!

By far the best way of cooling your home, conservatory or orangery is installing an efficient air conditioning system.

Our highly efficient heat pump systems are very economical giving you energy savings of 50% and more over conventional heating methods and the ability to change a room from cold to comfortable in 10 minutes.
