We have a busy month ahead at the club. Comic and curry, school disco and of course our annual beer festival! See our pull out and keep beer festival guide in the centre of this newsletter.

Our AGM will be held on Thursday the 26th of June 2014.

It's that time of the year when Membership Renewal envelopes will be landing on doormats very soon. Please follow the instructions on the Renewal form. Tickets for free drinks over the Christmas & New Year period will be given to those members whose forms are received at the Club by the end of May. Renewed cards should be collected from the Club after giving our Membership Secretary 7-10 days in which to process them. Many thanks.

Hilltop S & SC Annual Beer Festival 2014

Please Note: The beer list is correct as at 23/4/14 but may be subject to change.

| | Beer | ABV % | Brewery | Comments |
|--|---------------------|-------|-----------------------|--|
|  | Dronfield IPA | 5.0 | Dronfield Brewery | A Hoppy pale ale with Australian and American Hops. Fantastic flavours of Lychee, Soft Fruit and Elderflower follow a malty backbone and leaves with a long bitter finish balanced by some residual sweetness |
|  | Honey Locust | 4.5 | Wood St Brewery | A honey infused pale ale, American hops combined with the aromas and honey flavours should be sweet on the palate with a citrus and lychee finish.. |
|  | Licorice Alesort | 5.0 | Ashover Brewery | Fruity, malty stout |
|  | UXB | 4.6 | Abbeydale | Premium bitter with lots of dark malt flavours. Complemented by the fruitiness of the hops. |
|  | Forgemasters | 4.8 | Sheffield Brewery | A golden Pale Ale with a spicy, citrus aroma and a smooth refreshing finish |
|  | Dark Horse | 4.2 | Barlow Brewery | A darker, malty, traditional English best bitter, plenty of malty flavours with all English hops |
|  | Nectar Pale | 4.0 | Blue Bee Brewery | A thoroughly refreshing pale ale, brewed with copious quantities of New World Hops |
|  | Riders on the Storm | 4.5 | Kelham Island Brewery | A golden amber ale combining the best British malts and a combination of British and American hops which mingle together for a fragrance of fruits and spices. The addition of crystal malt gives a fulfilling equilibrium of sweetness and body |
| Instant Karma Brewery | Test Brew number 2 | 4.5 | Instant Karma Brewery | Tawny gold under a skim of white. Aroma of cereals, honey and twigs. Soft squashy sultana and caramel stirred with twigs flavour; dates, minerals, vague chocolate. |
|  | Brampton Mild | 4.9 | Brampton Brewery | What can we say about this beer other than delicious, moreish and very friendly, making a welcome return where it sells out very, very quickly |
|  | Barnsley Bitter | 3.8 | Stancill Brewery | It is bit darker, hoppier but it also has a sweetness to it |
|  | Grey Ghost Pacific | 5.9 | Raw Brewery | Powerful American hopped IPA with citrus and grapefruit flavours. Smooth and deceptively easy to drink. |
| | | | | |

Woodthorpe Hall are to supply their famous Liver Bashing Cider, Ruby Suzie. We can only hazard a guess what the strength of this lightly sparkling but full strength cider really is. Members of Hill top club who have witnessed the damage that this brew can inflict on the body and mind will with no doubt remind us all of the memories of past Hill top beer festivals. The highlights include the member that faceplanted into the gaming machines, the member that flirted outrageously with Dick Armitage and the infamous members "wardrobe evening"... You have been well and truly warned, treat it with respect, wear protective clothing and eyewear when consuming...do not under any circumstances after consumption, attempt to operate heavy machinery, drive or walk for any distance...If spilt on carpet, please report to a member of staff as early treatment may save the pattern!!!
