Spring has finally sprung!! We have another busy month ahead with a good variety of events for all!

Our annual beer festival is to take place over the May Day bank holiday weekend—see details inside. We still have some spaces left for the car boot sale and indoor craft stalls on the Bank Holiday Monday, 12am—5pm and only £5 per car!!! See Phill Edenborough or Dick Armitage or ask one of the bar staff who will take your details.

There are also limited spaces available for the Comic and Curry night. At only £17 per head for an authentic curry (or chicken and chips) and a full night of entertainment—why go anywhere else??

The 200 Club winner was Mick Cartwright who won £100!! The Snowball was not claimed and will therefore roll over to the next draw when the prize will be £20.

Two of our members are looking for people to join them for a game of badminton at Dronfield Parish Church Hall every Monday evening. Please contact either Barbara on 0114 2373984 or Jackie on 414539 or John on 415730.

ENTERTAINMENT REVIEW.

March was yet another good month for quality entertainment at the Hill Top club. First on the list, 9th March, was The St Patricks dance, where I gather, members tried to empty the Guinness barrels! 23rd March, who can forget that day, Dronfield in artic conditions, unbelievably, a good crowd, me included, turned out to see the Neil Diamond tribute. Now I must confess, having seen a number of these so called tribute acts, all of which have left much to be desired, I was less than eager to see this one. Surprise, surprise, he was brilliant. He actually sounded like the real thing. I hope that we have the chance to see him again, at the Hill Top club, hopefully in better weather than last time, giving more members a chance to enjoy him.

CARNABY ROCK

Saturday, 30th March, didn't need any encouragement to attend, one of my favourite groups, Carnaby Rocks, playing all the music I remember so well. Musically and vocally, first class. One of our members, was coerced onto the stage to help with the maraccas. I think the group ended up following her lead. All good fun which is what Saturday nights at the Hill Top club are all about. Historically, members very rarely get up to dance, during the first spot. With Carnaby Rocks, I think that they were up from the first number, well done guys. Keep up the quality entertainment at Hill Top, and I for one will keep supporting you.
