"Praise & Grumble from The Entertainment Team"

First a Praise for the Superb food provided by our in house catering team run by Carol, on Saturday 21st September when we hosted our second annual Murder Mystery evening which was a brilliant event and thoroughly enjoyed by everyone who attended.

The Grumble is that despite retaining the same low price as last year, only £22 versus hotel prices of around £35, we only had 49 guests less than 40 were actually club members and last year we had around 100 !!

Second Praise is that at every committee meeting we accept new membership applications and now have more than 1060 Adult members

The Grumble here is that our murder mystery night only attracted around 4% of our members !!

My Third Praise is for the members who regularly support and enjoy our two annual Special Event Dinners the next of which is our " EARLY BIRDS CHRISTMAS DINNER & CABARET " which is on SATURDAY 16th NOVEMBER 2013. This is a really good value for money night with delicious food choices provided by Carol and a top cabaret this year featuring the immensely popular CARNABY ROCKS

The Grumble here is that we could do with around 50 more members and friends to join us.

I will finish with a questionnaire and hope that you can find the time to reply to me either verbally or by letter or e mail c.r.armitage@talktalk.net

Most Saturdays we provide musical entertainers ether at a small charge i.e Saturdaynites or free to members £1 guests. Do you like our choices of groups Yes / No,,, What changes would you like to see,,

If you don't come can you tell us why ?

If you don't come to the Dinner & Cabaret evenings Valentines & Early Birds can you tell us why and perhaps what changes would change your mind?

This year we have experimented with Tribute bands, Take That in January was a terrific success, Girlzaloud in June and The Boy Band Show in August were not so well supported, however we plan to re book Rule The World / Take That for January 2014, followed by a Full Queen Band in March and The Boy Band Show in August, Will you come and enjoy these special night which will cost you £8 as members . £10 guests,,,,,,,,,,,,, If not Why? Also what would you like us to put on for your enjoyment?

We currently work hard to provide good family entertainment once a month which is very well supported and would be prepared to consider additional nights if the demand is there ???

Looking forward to a good response from as many of you as possible

We are working for you !!!
