Some of you will, no doubt, already be aware of the Sky Sports Super6. Some of you will not. It is your chance to win £250,000 for no stake (yes, **that's right** – no stake money is required, it is completely free.)

All you have to do is visit the link;

www.super6.skysports.com

where you register and then proceed to predict the correct scores in the 6 qualifying matches, which usually kick-off at 3.00pm on Saturday afternoon.

Any persons predicting the correct scores in all of the 6 matches wins a share of £250,000. If there is only one winner, then that person gets the full £250,000.

The actual points scoring is explained on the web-site.

Anyone taking part in the Super6 is able, if they wish, to join a league and Hill Top Sports & Social Club has a league, albeit, at present, a very small one. The intention is to run the league for a month at a time, beginning in September, with an entry fee of £4 per entry per month. The player who finishes the month at the top of the league wins cash, the amount depends on the number of participants. The more who play, the bigger the winnings.

It really is that simple.

The code that you will need to join the Club's league is 5W5QG2.

If you would like more details, then please contact Christian Hughes via the club.

Kind regards,

Christian Hughes,

Hill Top Sports & Social Club.

An evening of country music with the UK's Top Male/Female Country Duo (*)

Jonny Williams & Lynette Marie

Sheffield's Jonny Williams has been singing country since the 1980's, firstly as a member of a rockabilly band, *The Mercurys*, and then as a solo artist. His music is traditional country and he performs over 200 shows a year. He has been voted 'Solo Artist of the Year' twice by readers of Cross Country magazine and has released a number of successful CDs.

Jonny and Lynette Marie began performing together as a duo in 2010, having become an 'item' the previous year. Their voices blend together, giving wonderful harmonies, as well as classic country duet songs. They have won numerous Club awards in their short time together.

Lynette appeared at Hill Top a couple of years ago as a solo artist. You could have heard the proverbial pin drop during her sets, and she is looking forward to her return visit.

If you have seen Jonny and Lynette before, you will know how good they are. If you haven't seen this duo before, then give yourselves a treat and come along and see the UK's Top Male/Female Country Music duo (*), for a fantastic evening of traditional country music.

Free to Club Members and £2 for Guests to the Club.
