Summer is drawing to an end - we hope you have enjoyed the fantastic weather we have had!! We have had numerous great events including the brilliant Boy Band Show who went down a storm (especially with the ladies!!).

Another new band to the club were the 3FB's. We have received a lot of positive feed back following their performance, although the lead singer is letting the bands name down a bit by losing seven stone!!!

Please let us feedback on the entertainment we provided—good or bad!!!

*Could we ask members who have email addresses with aol, sky or yahoo, to contact their service provider and request that any emails from hilltopssc1@btconnect.com are allowed into their "in" box. **This is because it seems that the servers for these 3 providers are blocking emails sent from that address.** Thank you.*
